

REMARKS

This Amendment is responsive to the second Restriction Requirement of May 26, 2009. Examination and allowance of claims 1-22 are requested.

ELECTION

The Applicant elects the species of claims 3, 8, 10, 12, and 13.

Claims 1, 2, 6, 7, and 14-22 are generic.

Claims 4, 5, 9, and 11 are withdrawn.

Claims 1-3, 6-8, 10, and 12-22 read on the elected species.

An Election of Species connotes that the species are independent inventions (MPEP §806.06). If the species are not distinct, restriction is never proper (MPEP §806.05). The applicant hereby reserves the right to file one or more divisional applications directed to one or more of the non-elected species, which divisional application(s), by virtue of being directed to distinct and independent invention(s), will not be subject to double-patenting rejection(s) or a requirement for a Terminal Disclaimer.

An early allowance of all claims is requested.

In the event the Examiner considers personal contact advantageous to the disposition of this case, the Examiner is requested to telephone Thomas Kocovsky at 216.363.9000.

Respectfully submitted,

Thomas E. Kocovsky, Jr.
